

高功率锌锰电池封口剂

梁智永

(中国石油化工股份有限公司茂名分公司研究院, 广东 茂名 525011)

摘要: 介绍一种高功率电池封口剂, 它具有良好的热稳定性和粘附力, 能明显改善高功率锌锰电池的防漏性和贮存稳定性。

关键词: 高功率锌锰电池; 封口剂; 防漏; 贮存寿命

The sealant for high power Zn/MnO₂ battery

LIANG Zhi-yong

(Research Institute, Maoming Petrochemical Company, SINOPEC, Maoming, Guangdong 525011, China)

Abstract: A sealant suitable for high power Zn/MnO₂ battery was presented and good performance of the thermal stability and cohesion was achieved. It could improve leak proof and shelf performance of high power Zn/MnO₂ battery obviously.

Key words: high power Zn/MnO₂ battery; sealant; leak proof; shelf life
